

## GMA7 Job Description

Registered / Provisional Registered Teacher

### Position Purpose

A Teacher at ChoiceKids is responsible for ensuring child safety, wellbeing and high-quality teaching and learning experiences for children. A teacher at ChoiceKids is a "[professional](#)" that understands their role in educating our next generation.

### Line Manager

The Teacher is guided by Internal Policy & Procedure and reports to;

- The Centre Manager
- The Head Teacher

### Leading a learning focused culture

- Works in alignment with the centre vision for children's learning and well-being
- Is committed to the on-going development of their teaching practice
- Works as a collaborative team member with children at the centre
- Follows all centre policies, procedures and regulations
- Is actively committed to PLD both during work hours and after work hours
- Is actively committed to team meetings on a fortnightly basis

### Design for learning / Teaching

- Contributes to curriculum aligned to Te Whāriki and Te Tiriti o Waitangi
- Ensures a safe environment for children and is not afraid to report poor practice
- Works with teaching team to create quality learning environments
- Receives and acts on feedback
- Engages in professional discussions focused on improving learning outcomes
- Fully participates in assessment and curriculum design
- Actively engages in appraisal (and for provisionally certificated teachers, the induction and mentoring programme)
- Contributes to internal evaluation

### Professional Approach

- Builds and maintains collaborative professional relationships with all children, parents and colleagues
- Follows the [ChoiceKids 7 Standards](#) and is committed to working in a collaborative, inclusive team environment
- Is guided by the Code of Professional Responsibility as per the Education Council guidelines

## Quality Employee

Is willing to learn and implement the ChoiceKids Way of ensuring;

- Each child has a friend
- Each parent is connected
- Their centre is hygienic and welcoming
- Resources are respected and accounted for
- Health & Safety is a non-negotiable

## Competencies

In the view of ChoiceKids, a Registered or Provisionally Registered Teacher must be competent in the following areas;

- Have a range of teaching strategies to educate children from various cultures and backgrounds
- Be skilled at documenting learning, accidents, incidents and all other health & safety protocols
- Be an [advocate of children](#), wanting to see children grow into all they can be
- Be a lifelong learner that is passionate about their skill and profession
- Be patient, kind, loving and nurturing whilst also being able to provide boundaries and guidance
- Be a person that values [health and safety](#) at all times
